

Thanks to the continued support of the people of Torteval, our event continues to be a great success.

Although it is possible that the major works to the Church tower may still be in progress, the show must go on! To that end, we hope that all our regular supporters will make scarecrows as usual, but we particularly invite **everybody living in the Parish** to display their scarecrows. We shall find a place to display your scarecrow on the route for those who are not actually on the trail.

The trail will be open from 10am to 5pm on Saturday and Sunday, with disabled visitors driving around the trail from 6pm to 8pm. Please feel free to take your scarecrow(s) in overnight but please leave it/them out until 8pm so that disabled visitors may enjoy them.

There will be a competition, which will be judged from 10am on Saturday and prizes for first, second and third places will be presented at 4:30pm on Sunday. There will also be prizes for the funniest, most topical, most traditional and the people's choice.

Please make your scarecrow (or family of crows!) as eye-catching as possible. Scarecrows can be conventional ones on poles or "Guy Fawkes" type. Scarecrows can stand, sit, hang, whatever you like. They can be based on TV, cartoon, Disney characters, or professions or even be modelled on your neighbour!

Whilst there are no strict rules about the design of scarecrows, the organisers reserve the right not to admit entries, which may cause offence or be considered inappropriate.

Fourteenth Torteval Scarecrow Festival 5th/6th August 2017

Registration Form for an entry on the Scarecrow Trail

Name.....

Address

Telephone

Email.....

Name of my scarecrow(s).....

Please tick one of the following

- I live on the route of the Scarecrow Trail
- I do not live on the route of the Scarecrow Trail and require a space
- I do not live on the route of the Scarecrow Trail, but have made arrangements for my scarecrow(s) to be displayed at

.....

**Please return the completed form to the box at
Torteval Church by 28nd July
